PORTABLE HEDGE ROLLS

8' tall x 4' wide foliage rolls can attach to a pipe and base stand with zip ties.

Or fasten to a wall or other surface via staples, adhesive or zip ties.

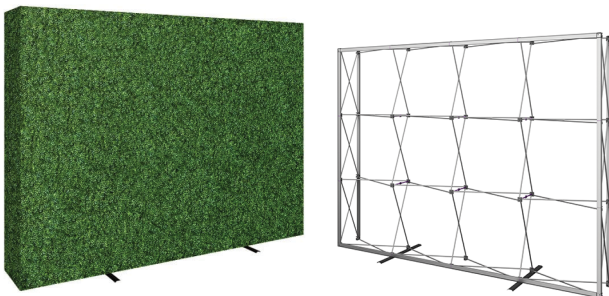

MODULAR FOLIAGE PANELS

These modular foliage tiles can be arranged and cut to fit almost any space. Great for use on walls, ceilings, and facades of many bars and restaurants.

FABRIC HEDGE EMBRACE

HEDGE PRINT ON ACCORDIAN POPUP FRAME

Realistic foliage is printed on power stretch material and attached to a pop up frame. It is covered on 3 sides with printed green shrubbery (the front face and 2 end caps) It looks very real! This display is not able to have flowers inserted into it or 3D cut-out letters attached to it, however you can add paper letters, balloons and other lightweight art! Sleek, collapsible, portable display that delivers style with minimal effort. No tools are required for assembly.

FABRIC STRETCH DISPLAY

HEDGE PRINT ON TUBULAR DISPLAY

Realistic foliage is printed on our popular Fabric Stretch Display. The frame and graphic fit inside a nice carrying case. Quickly assemble frame in just 5 minutes. Pull the pillowcase-like graphic over the frame and zip it shut. The zipper, hidden from view, tightens the stretch material over the frame for a wrinkle-free surface.
